Booking Process

We'd love to be apart of your special day! To get your date secured in our calendar, we require a contract and retainer fee. We require a 50% payment up front, and the rest is due one week prior to your wedding date. We use the platform 'Square' to process all contracts and invoices, so everything is digital! If you are ready to book with us, email us at paytonvieira@storyboxfilm to move forward. We can't wait to work with you!
